

Vineland Education Association:

Caring, Capable, Committed

SECRETARIES

Dedicated to giving every child an outstanding education

We are your friends, family and neighbors.

- There are 94 of us.
- 95% of us live right here in Vineland.
- 90% of us have children or grandchildren who are current students or district graduates.
- 60% of us attended Vineland's public schools.
- 90% of us own our home and pay property taxes in Vineland. On average, we have lived here for 37 years.

We are committed to our careers and to our students.

- 28% of us hold college degrees. Some of those degrees are in counseling, business management, computer systems and public administration – and we are extremely effective employees.
- We are senior clerk typists, principal clerk typists, senior data entry employees, secretaries, clerk typists, bilingual clerk typists, and child study team secretaries – and we provide excellent value to this district.
- 97% of us plan to work here until retirement.
- On average, we have worked for the district for 14 years – although some of us have been with the district for more than 40 years!
- We are here for our students – we've accumulated more than 4,700 unused sick days.
- We are trained in CPR, technology, customer service, bullying prevention, leadership, parent relations, and much more.

We are members of this community.

- We volunteer at food banks, nursing homes, hospitals, shelters, religious institutions, and to support community athletics.
- We support our schools by volunteering at parent-teacher conferences, back to school nights, sporting concession stands, the PTO, drama productions and family fun nights, to name just a few.
- We are proud to have received recognition from parents, students, colleagues, administrators and community members for our work.

We are the Vineland Education Association Secretaries... your friends, neighbors and an important part of this community and its schools.

WE CARE ABOUT YOUR CHILDREN.
